Dear gentlemen

This letter is to inform and advise of my

Request for a full investigation and reverse the auction and bid sale as follows

Ebay and ebay seller listed this real estate property as a BUY IT NOW

I personally made a written offer on this real estate property

The 44 acres of vacant land there was a written offer on this real estate

Property on a BUY IT NOW \$795.00 ebay item number 111981336729

After I personally had an accepted written offer to purchase this real estate

Property

Ebay seller re-listed the real estate property as a auction and bid
as item number 111992097288
after doing this auction and bidding on this real estate property THE LAST ONE SECOND
the amount on the auction and bid changed by \$5.00 dollars
i personally believe this was internet fraud and theft
i personally would like to say that the ebay and or ebay seller
is fully responsible for its listing
I personally would like Ebay to reverse this auction and bid sale to correct
This matter
Do to the above mentioned facts see copies of proof and evidence
i personally sent a letter for ebay to reverse the auction and bid sale but received no
response from you
Please contact me in writing
Thanks
