**AUTHORIZATION FOR REIMBURSEMENT OF INTERIM ASSISTANCE
INITIAL CLAIM OR POSTELIGIBILITY CASE**

NAME Joanna Carzomen McCombe		SOCIAL SECURITY NUMBER 560 886058
ADDRESS P O Box 684	CITY/TOWN Pasadena	ZIP CODE 91101
COUNTY (IA AGENCY) DPSS	GR CODE 05-200	

For the purpose of this Authorization Form:

The term "State" means the California county interim assistance (IA) agency (s) that the California Department of Social Services has a interim assistance reimbursement agreement with and that paid you public assistance.

The term "SSI/SSP benefits" means "Supplemental Security Income/State Supplementary Payment" benefits under Title XVI of the Social Security Act.

What actions am I authorizing when I sign this authorization and I check the "Initial Claim Only" block?

Initial Claim Only

You are authorizing the Commissioner of the Social Security Administration (SSA) to reimburse the State for some or all of the money the State gives you while SSA decides if you are eligible to receive SSI/SSP benefits. If you become eligible, SSA pays the State from the retroactive SSI/SSP benefits due you. The reimbursement covers the time from the first month you are eligible to receive SSI/SSP benefits through the first month your monthly SSI/SSP benefit begins.

If the State cannot stop the last payment made to you, SSA can reimburse the State for this additional payment amount.

What actions am I authorizing when I sign this authorization and I check the "Posteligibility Case Only" block?

Posteligibility Case Only

You are authorizing the Commissioner of the Social Security Administration (SSA) to reimburse the State for some or all of the money the State gives you while SSA decides if your SSI/SSP benefits can be reinstated after being terminated or suspended. If your SSI/SSP benefits resume, SSA pays the State from the retroactive SSI/SSP benefits due you. The reimbursement covers the time from the day of the month the reinstatement is effective through the first month your monthly SSI/SSP benefit resumes.

If the State cannot stop the last payment made to you, SSA can reimburse the State for this additional payment amount.

How can the State use this form when blocks for initial claims and posteligibility cases are part of the form?

The State can use this form for one case situation at a time, either an initial claim or a posteligibility case. If both blocks are checked the form is not valid. You and the State must sign and date a new form with only one block checked.

What kind of State payment qualifies for reimbursement by SSA?

SSA can reimburse a State for a payment that is paid only from State or local funds. The State cannot be reimbursed for payments made wholly or partially from Federal funds.

How does SSA determine how much of my SSI/SSP money to pay the State?

SSA decides the amount of payment based on two considerations. First, SSA looks at the amount of money claimed by the State, and second, SSA looks at the amount of your retroactive SSI/SSP money available to pay the State. SSA can reimburse the State for payment made in a month only when you receive a State payment and an SSI/SSP payment for the same month. SSA will not pay the State more money than you have for the SSI/SSP retroactive period.

How long is this authorization effective for the State and me if I checked the "Initial Claims Only" block?

This authorization is in effect for you and the State for twelve (12) months. The 12 months begin with the date SSA receives the authorization from the State and end 12 months later. However, for a State using an electronic system, the 12 months begin with the date the State notifies SSA through an electronic system that the State has received the authorization and end 12 months later. You and a State representative must sign and date the authorization for the authorization to be valid.

Exceptions apply to this rule. The State must send SSA the authorization within a certain time frame. SSA must receive the form within 30 calendar days of the date you signed the authorization. If the form is late, SSA will not accept the form as a valid authorization. If the State using an electronic system, SSA must receive the authorization information within 30 calendar days of the state matching your SSI record with your state record. If the information is late, SSA will not accept the information sent by the State. SSA will not pay any your retroactive SSI/SSP benefits to the State. SSA will send you any SSI/SSP money that may be due you, based on SSA's regular payment rules.

1. I am the plaintiff in this action and I respectfully submit this affirmation in response to the Court's order dated January 25, 2012. I should not be barred, under 28 U.S.C. § 1651, from filing future actions in this Court because

Re: Iced Coffee

Dear Ms. McCormick Canzoneri:

We are in receipt of your letter of September 12, 2007. We have no record of receiving any correspondence or contracts from you as referenced in your letter.

In any event, as you might expect, each year McDonald's receives thousands of submissions concerning unsolicited ideas and proposals for products and services from individuals and companies. Because of the volume of unsolicited ideas that we receive, and the difficulty of sorting out what is truly a "new" idea as opposed to a concept that has already been considered or developed by the McDonald's System, we must adhere to a strict policy of not reviewing any submissions for unsolicited ideas that come from outside the McDonald's family of employees, franchisees and approved suppliers. We realize that we may be missing out on a few good ideas, but we have had to adopt this policy for various legal and business reasons. As a result, if we had received a submission of an idea from you, pursuant to corporate policy, we would not have considered your submission.

Please be advised that McDonald's developed its iced coffee independently. Moreover, as you must be aware, iced coffee is a beverage that has been in the public domain for many years.

Very truly yours,

Dear Ms. Canzoneri,

Thank you for submitting your children's product idea to Toys "R" Us. As you may know, Toys "R" Us has selected Big Idea Group to evaluate its unsolicited inventor and new vendor product submissions. Big Idea Group is an R&D firm, thoroughly experienced in the process of developing products for kids.

During the evaluation process, Big Idea Group and a panel of industry experts will carefully review your product. We will consider it for appeal, originality, market potential, competition, safety, and manufacturing or intellectual property issues. Then on a quarterly basis, Big Idea Group will present the most promising products to key decision-makers at Toys "R" Us for their evaluation.

In order to review your product, we must have the following from you:

- A signed and returned Submissions Agreement. Please review the enclosed document and review it with a lawyer if you have any questions.
- Preferably a sample or prototype of your idea/product—or if a sample is not available, a description and sketches—along with information regarding the idea (*please send duplicates as materials will not be returned*)
- A completed inventor information form. See the enclosed.

If we fail to receive all of the above within 45 days from date of this letter, we'll assume that you don't wish your product to be evaluated and will dispose of the materials that you have already sent us for review.

Please be patient with us while your submission goes through the evaluation process. Since Big Idea Group will handle the initial evaluation process, please do not contact Toys "R" Us directly. Should you have any questions about this process, contact Big Idea Group directly via e-mail (Info@BigIdeaGroup.net) or phone (603-641-5955).

Thank you for your interest in Toys "R" Us and Big Idea Group.

Sincerely,

Toys "R" Us and Big Idea Group

Invention Submissions to Toys "R" Us

Toys "R" Us has partnered with Big Idea Group to review invention submissions. Panels of experts carefully review ideas, and the key decision-makers at TRU evaluate the panel's recommendations quarterly.

What You Can Expect

Due to the large volume of submissions, we cannot acknowledge or confirm receipt of your invention or product. If you wish confirmation, please send your package via registered mail.

Big Idea Group's review process takes at least 4-6 weeks. Please do not inquire about your submission status prior to then.

Please send only duplicates. We cannot return any materials.

We cannot make appointments to review your submission in person.

We will notify you whether or not we've selected your invention or product to present to Toys "R" Us.

How To Submit

If you are an inventor and are interested in selling or licensing your idea to Toys "R" Us, please complete the following steps:

1. Complete the enclosed Submission Agreement Form. Read it carefully and review it with a lawyer if you think appropriate. All ideas must have an accompanying signed Submission Agreement Form before they are reviewed. You might also want to read the Option Agreement and the License Agreement, available on our website at www.BigIdeaGroup.net, which are used if we decide to move forward with your submission. A summary of the Finalist Option Agreement is enclosed for your reference.
2. Fill out the enclosed Inventor Information Form.
3. *Send only duplicates; BIG cannot be responsible for lost, stolen, misplaced, damaged, or undelivered prototypes, samples, and invention information.* Mail a clear summary description of your idea, a visual representation (prototype, photo, video, or drawing), a signed and completed Submission Agreement Form and a completed Inventor Information Form to the following address:

AUTHORIZATION FOR REIMBURSEMENT OF INTERIM ASSISTANCE INITIAL CLAIM OR POSTELIGIBILITY CASE

NAME Joanna Carmen McFarland		SOCIAL SECURITY NUMBER 560 886 058
ADDRESS P O Box 684	CITY/TOWN Pasadena	ZIP CODE 91101
COUNTY IA AGENCY DPSS	GR CODE 05-200	

For the purpose of this Authorization Form:

The term "State" means the California county interim assistance (IA) agency (s) that the California Department of Social Services has a interim assistance reimbursement agreement with and that paid you public assistance.

The term "SSI/SSP benefits" means "Supplemental Security Income/State Supplementary Payment" benefits under Title XVI of the Social Security Act.

What actions am I authorizing when I sign this authorization and I check the "Initial Claim Only" block?

Initial Claim Only

You are authorizing the Commissioner of the Social Security Administration (SSA) to reimburse the State for some or all of the money the State gives you while SSA decides if you are eligible to receive SSI/SSP benefits. If you become eligible, SSA pay the State from the retroactive SSI/SSP benefits due you. The reimbursement covers the time from the first month you are eligible to receive SSI/SSP benefits through the first month your monthly SSI/SSP benefit begins.

If the State cannot stop the last payment made to you, SSA can reimburse the State for this additional payment amount.

What actions am I authorizing when I sign this authorization and I check the "Posteligibility Case Only" block?

Posteligibility Case Only

You are authorizing the Commissioner of the Social Security Administration (SSA) to reimburse the State for some or all of the money the State gives you while SSA decides if your SSI/SSP benefits can be reinstated after being terminated or suspended if your SSI/SSP benefits resume. SSA pays the State from the retroactive SSI/SSP benefits due you. The reimbursement covers the time from the day of the month the reinstatement is effective through the first month your monthly SSI/SSP benefit resumes.

If the State cannot stop the last payment made to you, SSA can reimburse the State for this additional payment amount.

How can the State use this form when blocks for initial claims and posteligibility cases are part of the form?

The State can use this form for one case situation at a time, either an initial claim or a posteligibility case. If both blocks are checked the form is not valid. You and the State must sign and date a new form with only one block checked.

What kind of State payment qualifies for reimbursement by SSA?

SSA can reimburse a State for a payment that is paid only from State or local funds. The State cannot be reimbursed for payments made wholly or partially from Federal funds.

How does SSA determine how much of my SSI/SSP money to pay the State?

SSA decides the amount of payment based on two considerations. First, SSA looks at the amount of money claimed by the State, and second, SSA looks at the amount of your retroactive SSI/SSP money available to pay the State. SSA can reimburse the State for a payment made in a month only when you receive a State payment and an SSI/SSP payment for the same month. SSA will not pay the State more money than you have for the SSI/SSP retroactive period.

How long is this authorization effective for the State and me if I checked the "Initial Claims Only" block?

This authorization is in effect for you and the State for twelve (12) months. The 12 months begin with the date SSA receives the authorization from the State and end 12 months later. However, for a State using an electronic system, the 12 months begin with the date the State notifies SSA through an electronic system that the State has received the authorization and end 12 months later. You and a State representative must sign and date the authorization for the authorization to be valid.

Exceptions apply to this rule. The State must send SSA the authorization within a certain time frame. SSA must receive the form within 30 calendar days of the date you signed the authorization. If the form is late, SSA will not accept the form as a valid authorization. For the State using an electronic system, SSA must receive the authorization information within 30 calendar days of the state matching your SSI record with your state record. If the information is late, SSA will not accept the information sent by the State. SSA will not pay any of your retroactive SSI/SSP benefits to the State. SSA will send you any SSI/SSP money that may be due you, based on SSA's regular payment rules.

Dear Ms. Canzoneri-McCormick:

We have received your letter December 17, 2006, and I have checked to determine whether we got your original information was received by us. We have no record of your product suggestion. It is very important that we get involved in reviewing a submittal of this nature. If you marketing consultant or have of our legal department.

When developing products like the development of the Ben & Jerry's milkshakes, I have found that we have been researching suggestions and a marketing strategy for the product three years ago. At the time of your original paperwork dated July 22, 2005 as noted in the paperwork we received on 10/21/06, we were well on the way to completing our plans for the milkshakes product.

We certainly appreciate your interest, and want to encourage your support of our products by including a few coupons. We'll do our best to make sure your experiences with Ben & Jerry will be as enjoyable as you anticipate.

Sincerely,

Dear Ms. Canzoneri:

Your letter concerning a product description form has been referred to me.

Unfortunately, Unilever does not accept confidential unsolicited ideas for products from consumers. Unilever's vehicle for accepting unsolicited ideas is through its website "www.Ideas4Unilever.com." You can probably appreciate that since Unilever conducts a substantial amount of R&D in-house it does not want to receive confidential ideas, which might duplicate its own ideas, from consumers.

We are returning your letter and enclosures. Please do not send Unilever any information which you wish to have kept confidential. Moreover, if you choose to submit an idea to Unilever, you would need to do so through the Ideas4Unilever.com website. As with any legal issue, it may be advisable to consult an attorney before proceeding.

We are retaining one copy of your correspondence in our legal files in case any questions arise.

I am sorry if our response is disappointing, but I do thank you for your interest in Unilever.

AUTHORIZATION FOR REIMBURSEMENT OF INTERIM ASSISTANCE INITIAL CLAIM OR POSTELIGIBILITY CASE

NAME Joanna Carzomen McLaughlin		SOCIAL SECURITY NUMBER 560 886 058
ADDRESS P O Box 684		CITY/TOWN Pasadena
COUNTY (IA AGENCY) DPSS		ZIP CODE 91101
		GR CODE 05-200

For the purpose of this Authorization Form:

The term "State" means the California county interim assistance (IA) agency (s) that the California Department of Social Services has a interim assistance reimbursement agreement with and that paid you public assistance.

The term "SSI/SSP benefits" means "Supplemental Security Income/State Supplementary Payment" benefits under Title XVI of the Social Security Act.

What actions am I authorizing when I sign this authorization and I check the "Initial Claim Only" block?

Initial Claim Only

You are authorizing the Commissioner of the Social Security Administration (SSA) to reimburse the State for some or all of the money the State gives you while SSA decides if you are eligible to receive SSI/SSP benefits. If you become eligible, SSA pays the State from the retroactive SSI/SSP benefits due you. The reimbursement covers the time from the first month you are eligible to receive SSI/SSP benefits through the first month your monthly SSI/SSP benefit begins.

If the State cannot stop the last payment made to you, SSA can reimburse the State for this additional payment amount.

What actions am I authorizing when I sign this authorization and I check the "Posteligibility Case Only" block?

Posteligibility Case Only

You are authorizing the Commissioner of the Social Security Administration (SSA) to reimburse the State for some or all of the money the State gives you while SSA decides if your SSI/SSP benefits can be reinstated after being terminated or suspended. If your SSI/SSP benefits resume, SSA pays the State from the retroactive SSI/SSP benefits due you. The reimbursement covers the time from the day of the month the reinstatement is effective through the first month your monthly SSI/SSP benefit resumes.

If the State cannot stop the last payment made to you, SSA can reimburse the State for this additional payment amount.

How can the State use this form when blocks for initial claims and posteligibility cases are part of the form?

The State can use this form for one case situation at a time, either an initial claim or a posteligibility case. If both blocks are checked the form is not valid. You and the State must sign and date a new form with only one block checked.

What kind of State payment qualifies for reimbursement by SSA?

SSA can reimburse a State for a payment that is paid only from State or local funds. The State cannot be reimbursed for payments made wholly or partially from Federal funds.

How does SSA determine how much of my SSI/SSP money to pay the State?

SSA decides the amount of payment based on two considerations. First, SSA looks at the amount of money claimed by the State, and second, SSA looks at the amount of your retroactive SSI/SSP money available to pay the State. SSA can reimburse the State for a payment made in a month only when you receive a State payment and an SSI/SSP payment for the same month. SSA will not pay the State more money than you have for the SSI/SSP retroactive period.

How long is this authorization effective for the State and me if I checked the "Initial Claims Only" block?

This authorization is in effect for you and the State for twelve (12) months. The 12 months begin with the date SSA receives the authorization from the State and end 12 months later. However, for a State using an electronic system, the 12 months begin with the date the State notifies SSA through an electronic system that the State has received the authorization and end 12 months later. You and a State representative must sign and date the authorization for the authorization to be valid.

Exceptions apply to this rule. The State must send SSA the authorization within a certain time frame. SSA must receive the form within 30 calendar days of the date you signed the authorization. If the form is late, SSA will not accept the form as a valid authorization. For the State using an electronic system, SSA must receive the authorization information within 30 calendar days of the state matching your SSI record with your state record. If the information is late, SSA will not accept the information sent by the State. SSA will not pay any of your retroactive SSI/SSP benefits to the State. SSA will send you any SSI/SSP money that may be due you, based on SSA's regular payment rules.
