

# SET OF FACTS

**President George W. Bush junior personally is my witness on this matter of the real estate properties**

**I personally went on google under the united states housing and urban development Multi-family housing department on the list of multi-family apartments that were in advertized and in foreclosure**

**A advertized foreclosure sale is a REAL ESTATE PROPERTY FOR SALE**

**I personally made an offer in writing to the owner of the real estate property the owners at the time were not the united states housing and urban development the owners were individual persons that still were the owner of the multi-family apartment property on 22 multi-family real estate properties in 13 states of the united states of america**

**I personally applied for a FREE FEDERAL GRANT and was approved for this FREE FEDERAL GRANT also i personally applied for an FREE FEDERAL GRANT**

**I personally made a written offer and sent in the filled out and signed Free federal grant document to the united states housing and urban department in washington dc**

**The united states housing and urban development personally forced a foreclosure on all the real estate properties that i personally made an written offer per the letter from the united states administration department in washington dc**

**See the copies of the evidence in the free federal grant**

**I personally was unaware of the united states housing and urban department selling my real estate properties the united states housing and urban department personally was the beneficiary and or grantee on the DEED OF TRUST AND OR MORTGAGE**

**After the real estate property was foreclosure non judicial and Judicial i personally filed appeals for the reversal of the foreclosure sales on 22 real estate properties in 13 states i personally did not receive any notification on thr court of appeals i personally then filed lawsuits in the united states federal court on 22 real estate properties in 13 states i did not receive a response i personally filed one complete lawsuit in new york at the united states federal court**

**I personally filed a lawsuit but lost track of the lawsuit filed in the united states federal court in manhattan new york i personally filed Appeals on this lawsuit the united states federal judge claimed To state they did not understand my claim but that i could File a AMENDED SUMMONS**
