Re: the tracker

Dear gentlemen,

I personally use the tracker to locate and track a missing person.

THE TRACKER IS TO LOCATE AND TRACK A MISSING PERSON AND  
OR ITEM ATTACHED OR GLUED INTO A CLOTHING OR SEWED INTO  
CLOTHES, EVEN IN A PENDANT, TAGS, OR COLLAR.  
See the tracker at [www.joannacanzonerimccormick.com](http://www.joannacanzonerimccormick.com)

I personally believe it benefit is not for it to be microchip implant  
There is no benefit behide it implants in the body  
You do not realize the inpack of this microchip

**Microchip can it be used for “government” propures**
