Ms. JoAnna McCormick

Alhambra, CA 91801

Dear Ms. McCormick,

I am sorry to inform you that it is not possible to offer you admission to the Class of 2017 based on the credentials you submitted for review.

This year the Committee on Admissions was faced with many difficult decisions: over thirty-five thousand students applied to the entering class. The great majority of our applicants could certainly have been successful here academically, and most candidates presented strong personal and extracurricular credentials as well. The Committee was, therefore, faced with the necessity of choosing a freshman class from a great many more talented and highly qualified students than it had room to admit.

We very much appreciate the interest you have shown in Harvard College. We hope that you will accept the best wishes of the Committee for success in all your future endeavors.

Sincerely,

Ian Anderson
Assistant Director of Admissions
Manager of Freshman & Transfer
Mail and Records Operations
